Diploma of Project Management

NATIONALLY RECOGNISED
TRAINING

Duration

9 Months

Format

Face to Face

Pre-Requisites

No

Description

Effective Project Management underpins the achievement of business outcomes. As workplaces become increasingly complex and job roles more diverse, staff with effective project management skills are in high demand.

The Diploma of Project Management provides participants with the skills and tools required to manage more complex projects in the workplace. This includes project scoping, work definitions and scheduling, resource and stakeholder management, costings and procurement, project implementation and closure.

Our facilitator, Rob Weedon is a highly sought after presenter in the Project Management field.

His background includes Manager, Training and Development in the Commonwealth Government and Director of Training Services Australia. Rob has an easy, informed style that makes him one of the most popular presenters in this field.

Format

One day workshops scheduled approximately 4-5 weeks apart. Assessment tasks are completed between sessions.

We recommend learners set aside 10 – 15 hours/assessment.

Testimonials

"This course has helped me realise just where my career may go."

*Very good production management tools can help any project.
Thanks Rob.*

Ben Shanahan

"Probably the best course I've undertaken"

I was constantly interested and engaged and enjoyed every session. Rob is a wonderful facilitator and is worth his weight in gold.

Hayley Appelby

"Rob's style was engaging and made a dry topic very interesting."

I thoroughly enjoyed this course! The content was current, relevant & provided me with tools and structure to improve my skills. The presenter was both very approachable and very knowledgeable and clearly spoke from a depth of experience.

Sara Pulford

"Undertaking the Diploma of Project Management through ASC has been an extremely positive experience"

An excellent course with a fantastic facilitator, highly recommended.

Victoria Wright

"I found that having a trainer with as much knowledge and experience in managing projects was in some ways more valuable than the content of the program."

I would recommend ASC and Rob as a trainer to others. Thank you.
