TRAINING

**TAE40116**

# **Certificate IV in Training and Assessment**

**Registered Teacher Program**

This program is designed for registered teachers who have not undertaken any training from the Training and Education Training Package (TAE10 or TAE16).

This qualification is required for teachers involved with the design, delivery and assessment of VET competencies. Generally this would apply to teachers working with senior secondary students, however all applications from registered teachers will be considered providing evidence can be supplied of experience in the VET/adult learning environment.

## Requirements before enrolling

- Provide evidence of current competency in the vocational field where you intend to teach (or currently teach)
- Be currently registered as a teacher (in Australia)

## Recognition of Prior Learning for Teachers

In total, there are 10 Units of Competency (9 core and 1 elective) in the TAE40116 Certificate IV in Training & Assessment.

As a registered teacher you 'automatically' have:

- full recognition for 1 core unit;
- partial recognition for 7 core units;
- full recognition for 1 elective unit.

The table below provides an indication of the units that attract Recognition of Prior Learning based on you qualifications as a registered teacher, with a guide to the hours of face-face classroom study required.

## Format

5 days via Live Virtual Classrooms (3 x LVCs per day: 2 x 90 min plus 1 x 60 min session on each scheduled day)
